

Dear CCE Families,

On Saturday, March 30th, the Cedar Creek Booster Club is hosting the annual Spring Auction at [The Belmont](#) to raise funds for important school projects not covered under state funding. The theme this year is Saturday Night Live and we encourage you to dress up as your favorite SNL characters! You can't beat hanging out and building community with other awesome parents whose kids attend Cedar Creek.

The funds raised during this event will benefit CCE directly. This year we are raising money for three outdoor classroom spaces which will allow our children to have an inspiring change of scenery during instructional time in a safe environment. If you have a business and want to sponsor our event or donate any items, please reach out to me directly. We are forever grateful to our generous local businesses and sponsors who support CCE on an annual basis!

Get your tickets now and prepare for a super fun Saturday Night Live with Cedar Creek Elementary Booster Club! <https://cedarcreekboosterclub.membershiptoolkit.com>

Kind Regards,

Wendy Perque
